The St Lawrence Valley Paddlers 3rd Wednesday Duathlon, free and continuous since 2008, opened the 2025 season on May 21st with a close match between teams. The buoy turn at the three-quarter mile mark was exciting as all three canoes came to it in close order. The team of Will Siegfried & Brienne Basford turned first with solo paddler Peter Cain tucked in nicely as Allen & Mary Kelly worked to follow those leaders.

The run that began the event had a dramatic lead change as Jenn Whitaker was fast off the start, with Will Siegfried posed to take the lead on the technical steep downhill segment, bounding down with his feet flying! The event finished with Jenn Whitaker, teamed with Peter Cain, in first place by more than 23 seconds.

Please join us for the 2nd in the series on Wednesday June 18th 2025. Registration opens at 5:30pm with the race start at 6:30pm.
