

## SLVP Duathlon – May 17, 2023

The first SLVP duathlon for the 2023 season was held on Wednesday, May 17, a cool spring evening with a temperature of 47°F. At least there were no black flies! There were folks who completed the course solo and others as a team effort. It was all done for fun.

<b>SLVP Duathlon - May 17, 2023</b>
