The fourth and final Duathlon of the season was held Wednesday, August 17. It was mostly sunny and in the upper 70s.

The fastest time was by the team of Allen Kelly and Michael Perras in 29:10. Fastest mixed team was Blanche Town and Rafeek Mohamed, 30:09. Fastest all-female team: Autumn and Dharma Crabtree, and Ellie and Tera Siegfried, 31:07. Who, you will note, were quicker than first solo man, Will Siegfried, 34:05. First solo woman was Lia Call, 36:20.

Afterwards, Gene Newman gave some results and mentioned the upcoming Remington II Race September 3, and asked if there was anything else. The answer: ice cream for all back in the parking area! Good way to end the season.
